BUY ANY Q-CONNECT TONER BUNDLE PACK AND GET A FREE REVIVA POWER BANK

OFFER AVAILABLE UNTIL 13TH OCTOBER 2017

Q-Connect have introduced 9 new bundle packs to its product portfolio, aimed at bringing you increased cost savings and better value for money. By choosing to use Q-Connect toner cartridges, you are already benefiting from significant cost savings against original cartridges. By choosing to use a bundle pack, you're maximising those savings even further.

Some of the bundle packs include a high yield black toner cartridge for the cost of a standard yield, offering additional cost per page reductions and meaning you get more print for your money.

Q-Connect bundle packs have a new packaging solution which is 100% recyclable and use less material than individually packaged cartridges. This helps Q-Connect in achieving its zero landfill policy, and assures you, the user, that you're fulfilling your environmental responsibilities.
